

WE HELP EQUITY FIND ITS WAY TO OUR COMMUNITY

FRIENDS OF OXON RUN PARK

LARGEST PARK IN CITY'S INVENTORY

FOR PRESERVATION

**Trees, Fauna, Flora,
Wildlife**

Mission | To address the needs of conservation of natural resources and preservation of greenspace in Ward 8.

FOR EQUITY

Respecting Historical Value of Community & the Park

The park is 3 miles long and adorned with majestic trees that include legacy cherry blossom trees and magnolia bogs. In 1971 the control of Oxon Run Park was transferred to the district from the federal government.

FOR ACCESS

Meeting People Where They Are

Great opportunities to introduce community to bird watching, forest bathing, nature walks, outdoor learning and tree identification. Working with lots of partners both private and public to connect citizens to nature.
